

Managing *Challenging* Behaviour

Managing and promoting positive behaviour and relationships is an important part of what youth clubs do. It is a role that is recognised as central to future citizenship.

However this is not an easy task and the indicators of unhappy situations and difficult behaviour in some youth clubs are all too apparent. Equally youth clubs have a 'duty of care' towards their youth leaders/helpers, which include appropriate training in Behaviour management.

Saturday 31st January

*The day will be run at
Canterbury Diocesan Office
Lady Wootton's Green
Canterbury
10am to 3pm*

*£10 to include lunch
(20 places only!)*
